From the Editorial Desk.....

Margaret Thatcher once said "If you want anything said, ask a man. If you want Something done, ask a woman."

At Hiraben Nanavati Institute of Management and Research, we believe that women can accomplish anything in the world-from touching the depths of sea to reaching for the stars. Hence along with imparting management education, we facilitate the all round developement of the student, faculty and the organization. The activities and the events that are organized in the institute craft learning and growth perspective for the HNIMR students as well as the faculty members. Vrittant, our newsletter brings to you a gist of all such participation of the students and faculty. We present in this issue many such events which comprise of knowledge, presentation skills, industry institute interactionand social awareness. This issue brings to youinformation about participation, organization and management of such activitiesand events organized at HNIMR during last six months.

We hope you will enjoy reading this issue.
