Report on Earn and Learn (2015-16)

In HNIMR, 'Earn and Learn 'scheme was conducted under the Student Welfare Department of Savitribai Phule Pune University. The main objective of the scheme is to develop a student as a multifaceted personality with academic excellence and a commitment to an egalitarian society. This scheme is basically undertaken for the benefit of students coming from the rural areas, who are economically backward, intelligent, and meritorious but cannot afford higher education, needy and financially hard pressed. It inculcates in the student the idea that no work is big or small and develops a work culture with the right aptitude. The scheme should be flexible to give work to those who demand it. This is a vision of keeping our youth gainfully employed as well as to contribute from civil society.

According to this objective this year eleven students work in library and Placement department. Per hour 30Rs were given to students. They can work maximum three hours per day. Total 15675 Rupees were distributed to these students for their work which we receive from student welfare department of Savitribai Phule Pune University.
