## Celebrating Indian Culture

### Vedic Day Celebration

This year on 21<sup>st</sup> June 2022, HNIMR celebrated Vedic day. It was celebrated to spread awareness, and promote and review ancient Indian knowledge. Sanskrit is the mother of all Indian languages and the first among the ancient languages spoken in India. So, on this day, various Sanskrit shlokas were recited by students. Some groups performed a dance in which they presented Mahabharata and Kurukshetra. It was an amazing performance. Some groups of students presented skits on traditional practices which need to change, also they performed humorous skits. Some students made a presentation on how Kautilya Arthashastra is beneficial, and some presented management lessons from Ramayana, Quran, Bible, and Mahabharata. Some recited various verses from Gita, one group presented on Jain dharma traditions. One group performed on Shiv Tandav. Some girls recited Atharvashirsh.

The whole day was full of knowledge and witnessing the rich heritage of India. Students could learn various aspects of Indian ancient knowledge and traditions. It was a cultural and knowledgeable feast for our students and faculty members.

### Certificate Course on HR Analytics

A certificate course on “HR Analytics” was organized for MBA Jr. & Sr. HR specialization students on 8<sup>th</sup> & 9<sup>th</sup> July, 2022. Mr. Rohit Sawant, expert from corporate from the field of data science had conducted this course. He gave insight on the topics like introduction to HR Analytics, Data requirement for analytics, Composition of Analytics, HR analytics specific- use cases, visualization and predictive analytics using Microsoft excel. Students have also been given the assignment to gain detailed knowledge and hands- on experience. This course was very much useful to the HR students for their future as it gave a holistic information on HR Analytics in an organization.
