Director's Message

Dear Friends,

Women empowerment is completely based on women's education. Bharat Ratna Maharshi Karve, the great social reformist in the field of women's education started his movement in 1896 with the school for widows; Indeed it was an unprecedented step taken by him with a great vision. He devoted his entire life for Women's Education. Maharshi Karve Stree Shikshan Samstha (MKSSS) is spread over 60 educational units including institutions imparting professional education like Cummins Engineering College, Bhanuben Nanavati Architecture College, School of Fashion Technology and Hiraben Nanavati Institute of Management and Research for Women (HNIMR).

HNIMR is the flagship of MKSSS. We live in a dynamic age of Globalization. Changing paradigms of business has fueled new thinking in our management education system.

There is a keen need to adopt necessary changes in our conventional view of management education and to train our new generation with capabilities of cross-cultural professional knowledge which enables them to contribute in the development of our country.

HNIMR aims to develop Professional Women Managers for the overall National Development.

HNIMR has established sound infrastructural facilities and linked the best of the faculty which offer a platform for interaction with the industry executives on contemporary topics of concern. Our mission is to develop HNIMR as a leading Business School on the world map.
