Placement Brochure

(Batch 2021-2022)

About the Institute

HNIMR, is an all-women management institute, established in 1996. It is affiliated to Savitribai Phule Pune University (formerly known as University of Pune) and recognized by All India Council for Technical Education & Director of Technical Education. It was accredited by National Board of Accreditation for the period 2008-2011. Further HNIMR was accredited by National Assessment and Accreditation Council (NAAC) with A+ Grade (3.34 CGPA) for the year 2019 to 2024.

It is committed to quality management education to enable women to occupy authority positions in different areas of work. It strongly believes that when women become decision makers, it will have a positive impact on contribution of women towards economic and social development.

Director's Message

Dear Friends,

Women empowerment is completely based on women's education. Bharat Ratna Maharshi Karve, the great social reformist in the field of women's education started his movement in 1896 with the school for widows; Indeed, it was unprecedented step taken by him with a great vision. He devoted his entire life for Women's Education.

Maharshi Karve Stree Shikshan Samstha (MKSSS) spread over in 62 educational and other units including institutions imparting professional education like Cummins Engineering college, Bhanuben Nanavati Architecture college, School of Fashion Technology and **Smt. Hiraben Nanavati Institute of Management and Research for Women (HNIMR)**.

HNIMR is a flagship of Maharshi Karve Stree Shikshan Samstha.

We live in dynamic age of Globalization. Changing paradigms of business have fueled a new thinking in our management education system. There is a keen need to adopt necessary changes in our conventional view of management education and to train our new generation with capabilities of cross culture professional knowledge which enables them to contribute in the development of our country.

The aim of **HNIMR** is to develop Professional Women Managers for the overall National Development.

HNIMR has established sound infrastructural facilities and linked the best of the faculty which offer a platform for interaction with the industry executives on contemporary topics of concern. Our mission is to develop HNIMR as a leading Business School on world map.

I wish you all the best for your future endeavors.

Dr. Mrs. Surya Ramdas

Director

Placement Cell

The term 'Placement identifies the process by which educational institutions help their students finding job opportunities according to their course and expertise. However, the external functions focus on generating leads, visiting of companies, going through verification and finally inviting companies to campus for selection. The group provides support to students in their Training & Placement by full-fledged training activities like Soft skills & Domain Knowledge.

Placement Procedure

An analysis of the Placement data of recent few years, interaction of the staff with various corporate personnel at different forum and feedback from the students of previous batches revealed that students lack certain key skills when they approach various companies for their placements. The Mentors helps the students in preparing better for their placements through constant mentoring.

- The Training & Placement Office of the Institute has the responsibility of facilitating the Campus Recruitment Programme for all disciplines.
- The Placement Office initiates and nurtures contacts with leading organizations for campus visits and is functional throughout the year.
- It endeavors to match the aspirations of the students with the needs of the Industry. It also assists the students for Summer/Winter Industrial training.
- The T&P Division also provides counseling and guidance to the students regarding the visiting organizations, selection procedure, preparation methods & resources thereby ensuring that the students are adequately equipped to face the recruitment tests.
- A team of Student Placement Coordinators duly assist the T&P Officer.
- The Auditorium, Seminar halls and Interview cubicles, equipped with audio-visual aids provide the ideal venue for campus selection activities like Presentations, Written Test, Group Discussion and Interviews.
- The Placement Office ensures and takes care to provide the best arrangement and hospitality for officials of the visiting companies.

Invitation for Campus Placement Drive

We are pleased to introduce ourselves as one of the largest constituent colleges of Savitribai Phule Pune University. Our college offers various Management courses giving an opportunity to students from various backgrounds to be part to excel in higher education. A detailed list of courses offered by the college is available on the college website.

The college has an active Placement Cell along which investigates the placement for its students from all streams. The objective of the college Placement Cell is to help students identify their career goals and provide an edge into the present-day competitive job market. The scope of work of Placement Cell extends from organizing workshops to providing internships to students in various organizations and preparing students for the final placements. In the past, the placement cell has conducted similar events in which several leading companies participated and recruited bright talents. We will be extremely obliged if you could be a part of our endeavor of making the untapped talents shine.

We invite you for long term association for corporate interaction, guest sessions, internships, and campus placement with us.

Thanking You,

Prof. Dolly Pandey.
