### **Examination Report**

**2019-20**

For the academic year 2019-20, globally COVID-19 pandemic disrupted education, presenting unique challenges for students and the educational institute.

The sudden shift to remote learning posed challenges in tracking and assessing student performance. Traditional assessment methods, such as OFFLINE classroom examinations and practical viva- voce evaluations became impractical, necessitating the adaptation of alternative assessment strategies. Savitribai Phule Pune University term end examinations had shown examination flexibility. It conducted online MCQ test. An internal SIP viva for MBA second-year students specializing in Finance, Human Resource Management, Marketing Management, Operations Management, Supply Chain Management and IT was planned and conducted. Due to pandemic situation SIP viva were conducted online. Examinations were delayed which resulted into delay in results.

For the academic year 2019-20, 178 students registered for the SPPU exam and 178 of them passed. Of those, 3 students received "O" grade, 24 students received "A+" grade, 117 students received "A" grade and 33 students received "B+" grade. The pass percentage of final year student was 100. Gokalaney Bina from the Finance Management had top score with 79.33 percentage. The examination process at the institute was conducted fairly and efficiently, with most students performing well.
