### Report on Internship with Ekalipi Institute

The MoU was signed with Ekalipi Institute, Pune in July 2018. The objectives were to provide students a platform to learn new IT tools and techniques, mobile apps etc. The project was undertaken with Ekalipi. Seven students were interviewed from MBA 2nd Year. Out of which four students were selected for the same. The selected students were:

1. Hemali Choudhary
2. Anjali Nair
3. Dhanashri Misal
4. Vinaya Kane

The students were assigned various tasks related to the development and promotion/marketing of the company's new app - "Ekalipi Call Announcer". The stipend was offered as Rs 35.71 per hour (which worked out to a monthly stipend rate of Rs. 6000). The flexible working hours were allowed. Students were given training for the same. All the students successfully completed the tasks assigned to them and stipend was directly paid to their account.

This was a good experiential learning experience for the students.
