

Title-- Report on Exhibition cum sale of products made by green entrepreneurs.

Date :- 02/07/2022

The exhibition cum sale was an unique concept, collaboration with green entrepreneurs. An opportunity for entrepreneurs to sale their green products and make awareness on solution to environmental issues.

Entrepreneurship Bazaar was organized to study various skills amongst the entrepreneurs like communication, marketing, sales and convincing. Students from MBA juniors and seniors learned a lot from this event.

There were stalls of:-Green products which are environment friendly tooth brush from bamboo, jewelry etc. Paper bags, items prepared from waste materials and recycled products.

. All the teachers and students visited every stall, and checked every product enthusiastically.
