Book Shelf - Book Review Activity

Instructions (optional)

Dear Students,

All the students have to submit the book review presentation (PPT) on or before 18th July, 2021.

While preparing the presentation students have to note the following :

- I have attached 1st slide which is common for all; then you can create your own remaining slides.
- 2nd slide should include bibliographic details like title, author, publisher, etc. (cover page of the book if possible)
- Core Content/Subject Matter of the book
- Management lessons from the book
- Positive points of the book
- Limitations of the book (if any)
- Further Recommendation of the Book

Slides should not include lot of theory; wherever necessary its fine but focus on bullet points and precise explanation.

Regards,
