Entrepreneurship –Innovation, Incubation and Start up Cell

Title --Report of 'Workshop on Rural Entrepreneurship' by MGNCRE

Name of the Speaker: Deepak Wayal

Platform: Google Meet

Time: 1 p.m. to 3 p.m.

Date: 22nd October, 2020

Mahatma Gandhi National Council of Rural Education under the Ministry of Human Resource Development, in Government of India had organised an online workshop and competition on 22nd October, 2020.

Mr. Deepak Wayal Sir Explained the role of Rural Entrepreneurship Development and how a rough idea can also be implemented by clear practical view. One video was shown which explained students that being an entrepreneur do not have anything to do with your cultural, financial and educational background. He explained various business ideas through PPT and explained how small businesses can be built which will ultimately help in development of rural areas as well as in development of nation.

If one is passionate about the idea of business one can implement it and can bring out the real scenario. It was quite interactive session where students explained the business idea they have in mind and how they can make it work practically.

It was very interesting and interactive session. Students were motivated to go forward and think about the business they can start from scratch.

Total no of 54 students attended this workshop.

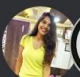

ABOUT : (MGNCRE)

Mahatma Gandhi National Council of Rural Education under the Ministry of Human Resource Development, in Government of India strives to promote resilient rural India through Higher Education interventions. MGNCRE designs, develops and promotes curriculum inputs for higher education programmes offered by Universities and Autonomous Institutions in India. The higher educational streams of focus for MGNCRE include: Rural Studies, Rural Development, Rural Management, Social Work and Education. The curriculum inputs are both theoretical and practical field-related relevant to rural India.

The screenshot shows a PowerPoint slide with the title "MGNCRE Focus Areas". The slide content is organized into a 2x2 grid of colored boxes:

- Top-left (Red): Curriculum Development
- Top-right (Green): Capacity Building
- Bottom-left (Purple): Standardisation and Accreditation of Courses
- Bottom-right (Blue): Promotion of Higher Education Programs

On the left side of the slide, there are two photographs showing groups of people in meeting or classroom settings. The PowerPoint interface includes a ribbon with tabs like Home, Insert, Design, Transitions, Animations, Slide Show, Review, and Help. A sidebar on the left shows a list of slide thumbnails.
