Title –Report on International Women's Day Celebration

Date--8th March 2018

The celebration on International Women's Day started in the auditorium with felicitation of guests. The presence of skilled, knowledgeable, entrepreneur women was really made it a success. The women from different areas of working fields were present as food industry, yoga trainer, lawyer, teacher, architecture and many more.

The input given by Deshpande ma'am, how she became a entrepreneur with the help of chapati business did move students in the auditorium and encouraged the students a lot. Various experiences shared by these entrepreneurs helped students to gather knowledge of current situations and how many opportunities are there in the market to grab and make a success story out of it.

The experiences taught students that no matter how much failure we may face if we are hardworking sky, is the limit.

This event was organized by ED Cell team.
