Book Review Presentation Sessions for MBA First Year Students

Book Review Sessions were organized for MBA 1st year students during Semester two (January 2024 to April 2024). These sessions were conducted Specialization wise separately. The main objective of Book Review presentations was to make students read relevant books in management and allied areas and also give an exposure to preparing PPT on their understanding of the book they have read. Two students issued one book of their choice related to management. They prepared Power Point Presentation related to the Book Review. Presentations were done by the students in the auditorium which were monitored by Librarian of the Institute Mrs. Manjushree Nawale.

This activity helped students to improve their presentation skills, vocabulary, and the audience also could gain insights on the topic presented by other teams as a part of learning process on different topics of Management. Management Lessons learnt was the most important aspect of the activity.

Book Review Sessions were coordinated by Librarian, Manjushree Nawale under the guidance of Director Dr. Surya Ramdas.
