Report on the Unique Challenges Faced by Female MBA Students During Covid'19.

A group of 6 students from HNIMR conducted a survey on the Unique Challenges Faced by Female MBA Students during Covid'19 in collaboration with BKWSRC. The survey aimed to identify and address the problems faced by the student pursuing MBA during pandemics and the impact of online learning on skills of MBA students. The students visited nearby areas to gather data on issue.

They interviewed the MBA students and teachers in Pune to gain a comprehensive understanding of the challenges. The survey findings were compiled into a detailed report that highlighted the key issues and proposed solutions.

The report was shared with BKWSRC and college authorities to facilitate the implementation of necessary interventions. HNIMR's involvement in this social awareness initiative demonstrates its commitment to social responsibility and its efforts to bridge the gap between academia and community development.
