

Making Mask and Mask Distribution

1. Activity/Event Venue & Date: 8th May 2020
2. Nature of Participants: community Development Volunteers and Students
3. Number of Participants: 388
4. Student Coordinator: Shruti and Shraddha
5. Staff Coordinator: Prof. Priyanka V. Potdar
6. Brief Summary of the Activity/Event
 - a. Objectives: To create awareness about the importance of wearing masks and to help the public in making masks using material easily available at home.

Description: The Community Development students conducted a wide scale campaign to spread awareness of Masks to prevent the spread of COVID-19. The campaign was driven online and was spread throughout the lockdown period, beginning from March 2020. Following the objectives of the campaign, volunteers CD Cell made videos and posts that taught the populace how to make their own masks using pieces of clothes which could be easily found at their own homes. Furthermore, Programme Officers supported the campaign by safely delivering handmade masks to the poor people.

Under the guidance of Dr. Mihika Kulkarni ma'am (Director In-charge) and Prof. Priyanka Potdar ma'am, Shraddha Gokhale and Shruti Phadke (students of the batch 2018-2020) created a video on 24 th May 2020.

Outcomes: General population was made aware of the importance of wearing a mask and learning to do masks.
