**Report on A Study on the Effectiveness of Group Study and Self-Study on Undergraduate and Postgraduate Students**

A group of 6 students from HNIMR conducted a Study on the Effectiveness of Group Study and Self-Study on Undergraduate and Postgraduate Students in collaboration with BKWSRC. The survey aimed to identify and address study related issues. The students visited nearby campuses to gather data on issue.

They interviewed UG and PG students to gain a comprehensive understanding of the challenges. The survey findings were compiled into a detailed report that highlighted the key issues and proposed solutions.

The report was shared with BKWSRC and college authorities. HNIMR's involvement in this social awareness initiative demonstrates its commitment to social responsibility and its efforts to bridge the gap between academia and community development.
