

Maharshi Karve Stree Shikshan Samstha's  
**Smt. Hiraben Nanavati Institute of  
Management & Research for Women**

**FEEDBACK REPORT**

**2023-2024**

1. Students were found to be decent in terms of honesty, group acceptance, commitment, group etiquette, good attitude and punctuality.
2. Certificate Course on Business Analytics with Advanced Excel helped students to understand extensive use of data and modelling to drive decision making in business.
3. A greater emphasis on student internships is necessary to enhance subject-matter knowledge.
4. The International Conference on "Business Intelligence and Analytics" helped the students to understand the BI tools, their applications in the industry in making decisions to improve business performance.
5. B plan workshop helped students to gain insight into various elements of the Business Plan.
6. The curriculum's electives were added in response to industry demands.
7. E-bazaars and other curriculum-based events made learning more effective.
8. It is necessary to increase the number of corporate interface sessions.
