xv) Innovation Cell

The Innovation Cell at HNIMR has been established with a vision: to cultivate a vibrant culture of innovation and entrepreneurial thinking among our students and faculty. Rooted in the belief that women are powerful drivers of change, this cell aims to ignite curiosity, creativity, and confidence in the next generation of women leaders.

The focus is on building a dynamic ecosystem where ideas are transformed into impactful products, processes, and services. By nurturing innovative thinking during the formative years of management education, we empower students to explore emerging domains, challenge conventional boundaries, and craft solutions that matter.

Institute's Innovation Council – “Saksham”

Composition

1. Dr. Priyanka Singh – Director
2. Dr. Pranita Sonar – IIC Coordinator

xvii) Compliance of the Academic Bank of Credits (ABC), applicable to PGCM/PGDM institutions and University Departments.

MKSSS's Smt. Hiraben Nanavati Institute of Management and Research for Women has implemented the Academic Bank of Credits (ABC) ID mechanism in accordance with the guidelines issued by Savitribai Phule Pune University (SPPU) and the University Grants Commission (UGC) under the National Education Policy 2020. The Institute has ensured that students have generated and registered their ABC IDs through the prescribed national platform with appropriate institutional guidance and administrative facilitation. Orientation and awareness were provided to students regarding the significance of ABC IDs for academic credit storage transfer and mobility. The availability of ABC IDs for students ensures proper maintenance of academic records and alignment with university requirements. The Institute thereby confirms its compliance with SPPU norms and demonstrates its commitment to transparent and efficient academic governance.

xx) Teaching Learning Process

The changes in the field of business have paved way for customising the Teaching Learning Process. The Teaching Learning approach of the Institute is purely focussed on Student centric methods.

Experiential Learning Approach: Helping students to have a real life/hand on experience of the different attributes used in Organizations. Such learnings are provided through Industry Internships, Industry visits, Management Games, Gamification, Summer Internship Programs caters to face the real challenges of the work environment. Encourage students to write and publish Research papers for varied Conferences, having the Summer Internship Competition.

Grooming Sessions are conducted which facilitates the students in enhancing the Aptitude, Attitude, Communication Skills, Interview Technique Skills, Group Discussion Skills.

Participative Learning Approach: Such approaches are a means to encourage students in their participation to learn from each other's ideas & share experiences in a collaborative manner generating Peer Learning. During the National /International Conference organized by the Institute through Hybrid and online mode the students were encouraged to contribute through research papers with faculties or peers and the relevant papers were published in UGC care listed Journal.

Collaborative Learning is also inculcated through Workshops, guest lecture sessions and discussions, Role Play, Individual / Group Presentations, Group Discussions / Brainstorming sessions. Collaborations with Foreign Universities during the Conferences also substantiates the learning process for our students.

Institute also organizes varied cocurricular/extracurricular activities and thus gives a learning opportunity of coordination and conduction of every activity by the students. Teams of students take care of various aspects of the event as coordination with the resource persons, venue management, stage decoration, anchoring, catering arrangements etc. thus developing stage confidence, public speaking, soft skills, team building, leadership, etc.

Problem Solving Approach: It inculcates a dimension of critical thinking and application of logical reasoning to the pursuit and providing solutions to various Problems. Internship programmes,

Certificate programmes, MOOC courses, Business Plans, Poster/Model Making and presentation competitions, Video Presentation, Review of Articles/ video clips, Book Review and its presentation .

To cater to all the necessary approaches of Pedagogy, the Institute has provided necessary hardware and software to equip classrooms and labs with ICT facilities. Desktop computers, laptop computers, portable audio systems, LCD and screens have been procured. Faculty
