Awareness and training for safeguarding against stray dogs.

Name of the Expert: Mrs. Ranjana Gogate

Designation: Assistant Professor

Organization: HNIMR Students & Staff

Number of Participants: 50

Report:

HNIMR's Community Development Cell organized a program for awareness and training for safeguarding students and staff members against stray dogs.

Recognizing the paramount importance of student and staff safety, the Institute conducted an awareness session for students and staff on issues related to the presence of stray dogs in and around the campus. The session focused on understanding potential risks such as accidental bites, health concerns including rabies, and the psychological impact on students, while also emphasizing lawful and humane management practices.
