Organization: Prabodhan Management Consultancy

Class / Specialization: MBA SR

Number of Participants: 15

Report:

Horizon, an intercollegiate competition organized by HNIMR, served as a dynamic platform for students to present their learnings and experiences from summer internships and on-the-job training. The event aimed to bridge academic knowledge with practical exposure, encouraging participants to reflect on their professional journeys and articulate their growth. Held within the institute premises, the competition drew enthusiastic participation from both HNIMR students and students from other colleges, fostering a spirit of collaboration and healthy competition.

The competition was judged by Dr. Rashmi Hebalkar, a respected academician and industry expert whose insightful feedback and discerning evaluation added immense value to the event. Her presence elevated the credibility of the competition and inspired participants to present their best work.

The event was divided into two categories: one for HNIMR students, and another for outside participants. Each participant was required to submit a detailed report and deliver a presentation summarizing their internship experience. The presentations covered various aspects such as organizational structure, roles and responsibilities, challenges faced, skills acquired, and key takeaways. Winners for the competition are as follows;

HNIMR students –
